

ClassDojo -How to complete work and hand in

Children should log in as themselves, please do not log in as parent.

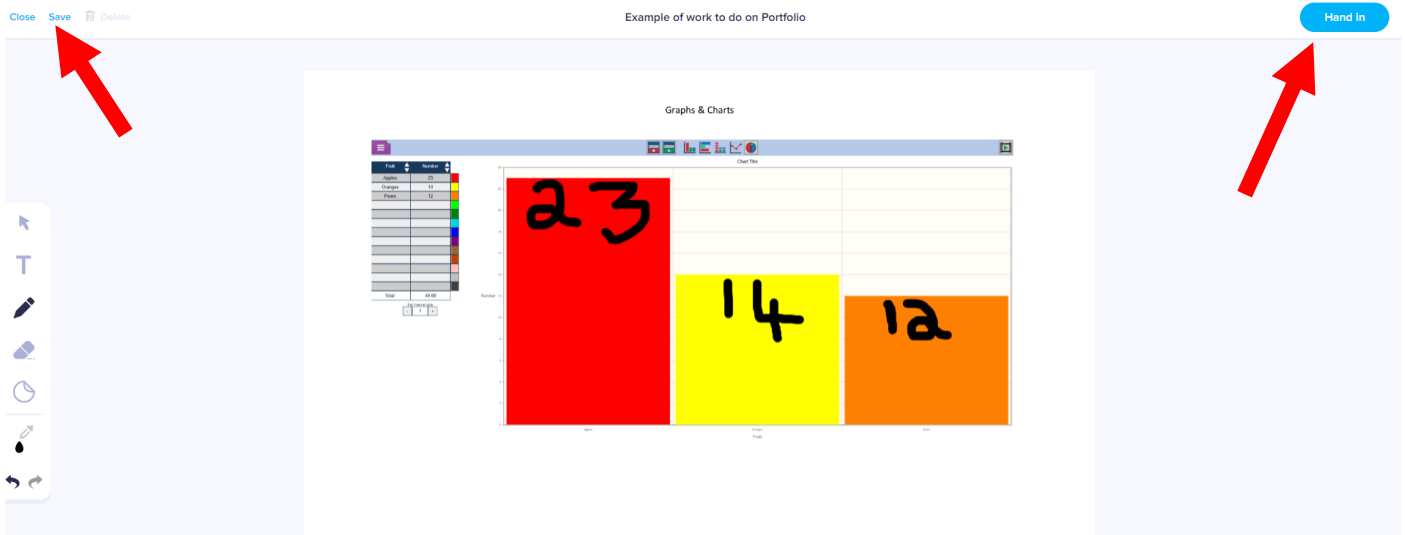

This is what your child's screen will look like.

Work set by teachers are listed under **HOME** tab.

Click on **Start** to complete the activity.

The activity can be written upon by choosing the pencil – or type tool.
The activity can then be **SAVED** (saves to online Clasdojo Cloud).

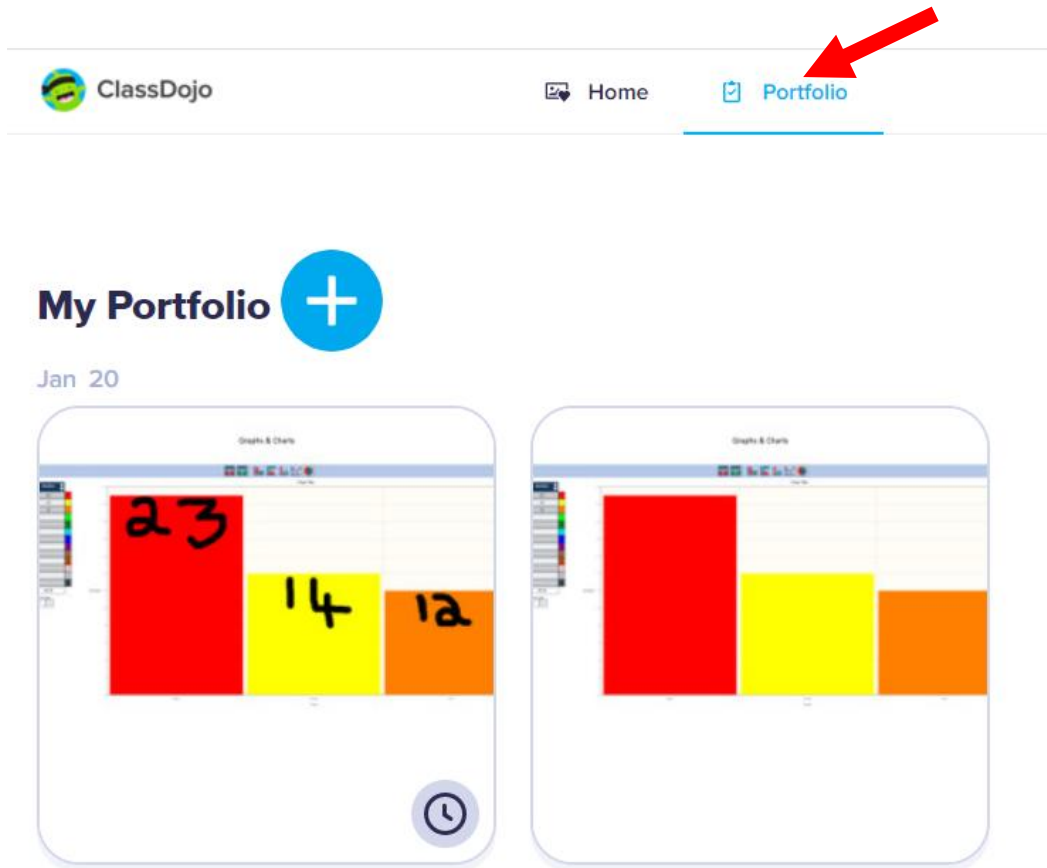

Your child can add a comment to the teacher after saving.

When finished work, click on **HAND IN**

Click on **PORTFOLIO** tab to see all work that your child has finished and handed in.

Click on one activity to see the teacher's feedback.
