

Thank you to all the parents that joined the Parents Writing Workshop on Teams last Wednesday. A copy of the powerpoint can be found on our website. From feedback given, here is a link to a great resource on Oxford Owl to demystify writing terms that you may hear your children talking about!

There are also some activities to support home learning in these areas - well worth a look!

On the same website I can highly recommend the ideas for writing at home with your children found on this page.

If you scroll to the bottom, there are further tips and ideas arranged in Year groups which again give a great insight into what your child is writing at school and how you can support this at home.

We would love to see any writing children produce at home and welcome these into school to show to their class and display for others to enjoy. We look forward to sharing the children's writing and fostering a love of writing at Idle.
