

## Idle CE(A) Primary School Spring Homework Menu Year 1

Here is the homework menu for the Spring term in Year 1. Our project is Our Village and we would encourage all children to complete one of the activities below to return to school on or before Wednesday 13<sup>th</sup> March. Our project work is cross-curricular and we would like children to complete one of the tasks below to complement their learning in class.

<p>Make up a new character for your favourite story. Write their name and a short description.</p> 	 <p>Draw and label any 2D or 3D shapes you find around the house. Can you describe any shapes to an adult?</p>	<p>Record the weather at home! You could check the temperature or measure how much rain water collects in a cup.</p> 
 <p>Ask a relative about their memories of Idle. Do you think anything has changed since they were younger?</p>	<p>Make a map! You could make a map of your house, garden or a place you have visited.</p> 	<p>Have a look at the technology in your house. Draw a picture of what you find and label different parts such as they keyboard, mouse or trackpad.</p> 
 <p>Make a picture using different materials. You could use paper, card, wool or even metal foil!</p>	<p>Make up actions for one of your favourite songs. Can you teach someone else the song too?</p> 	 <p>Host your own competition. Can you give prizes for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place?</p>
